

Sleepover Club Newsletter

24th October 2025

Hello!

Happy Friday everyone!

We have had a very busy week in Sleepover Club. Some of our pupils have enjoyed a trip out bowling and have enjoyed helping and supporting each other to knock the skittles down and score some very high scores. Everyone scored in the 70's!

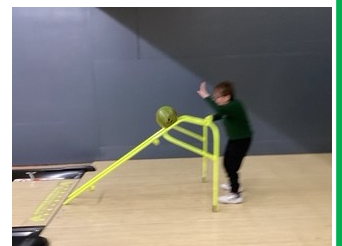

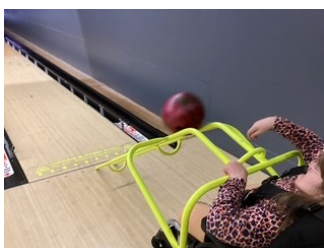

We have also continued to explore making pizzas, exploring different toppings and creating our own pizzas for supper.

We have also had a Halloween party this week, where we have had lots of spooky and creepy things to explore, party games and music.

We hope you have a lovely relaxing half term and thank you for all your support this half term,
Your Sleepover Team.

Bowling.....

Pupils had a fabulous evening bowling at Tamworth. They had fun, worked together to help each other and cheered each other on.

Halloween party

We have loved our Halloween spooky activities this week. We have explored carving pumpkins, feeling lots of slimy things, guessing what they were and turning some of the staff into mummies.

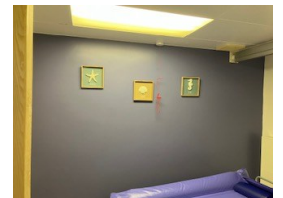

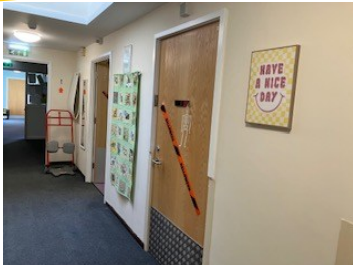

Developing our play and social skills....

During our free time, we love to explore the many toys and activities within Sleepover Club and socialise with our friends.

Sleepover decoration....

We have continued to decorate within Sleepover Club, painting the corridors and the bathroom. We would like to extend our thanks to site team for painting these this week.

Sleepover blankets

We have had a donation of some new blankets from 'Project Linus UK', for some of our new pupils who will be staying after half term. We would like to send a big thank you to them for our lovely new blankets.
