

Sleepover Club Newsletter

3rd October 2025

Hello!

Hello everyone! We have had a really busy week in Sleepover Club this week. Firstly, last Saturday a group of volunteers came to paint our sensory room within Sleepover Club, which is looking amazing! Please see photos below!

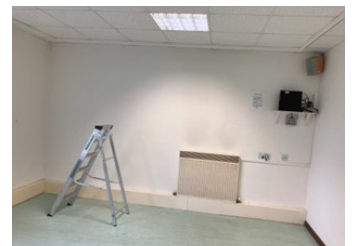

We have also explored conservation, how we can help support marine life with a focus on turtles and how plastic waste can affect our oceans. We have had a new resident in Sleepover Club this week - a turtle who has come to stay for the week and his name is Tiny. We have all enjoyed learning about how we look after turtles and feeding him.

We have also worked on our independence skills, doing an online grocery shop, ordering different foods for our supper and breakfast and have arranged delivery of this for next week.

We hope you have a lovely weekend,

Your Sleepover Team.

Sensory room
refurbishment....

We are delighted to share with you, that we have had our sensory room refurbished with the help of a local charity, Simon's Heroes. A team of 6 volunteers came into Sleepover Club with paint, rollers, brushes and dust sheets and gave their time to redecorate the sensory room for us. Simon's Heroes have also agreed to buy us some new sensory resources to be used in our sensory room. We would like to extend a big 'Thank You' to Simon's Heroes for their support, generosity and for giving their time.
