THIS WEEK IN SLEEPOVER CLUB

Junk modelling -

We have had great fun being creative this week, using lots of different resources to make junk models. We have used plastic bottles, cardboard boxes, wool, bubble wrap, glue and paint.

All about France -

This week, we have explored all about France, exploring French foods, different places we can visit, French music and the French language.

Trip to the supermarket -

Some of us have walked to the local supermarket to look at French foods and to choose some to buy for our supper.
