FOSH

Christmas Toy Drive

Let's share the joy! Donate toys and make children's Christmas more meaningful.

FOSH Team are asking for any new toys to be donated to send to our Santa ready for our Christmas Event on Saturday 5th December 2026.

If you would like to donate any toys you can contact us at friendsofsaxonhill@saxon.set.org or leave them at Saxon Hill Academy School Office.

Working in partnership with **KeeRon's** happy little stims

What to expect...

A relaxed buffet style breakfast, with options of cereal, and pastries.

A warm welcoming non judgmental environment, where children and adults can stim, walk around, approach Santa if they wish, there is no expectations. We just want you families to have a wonderful Christmas experience.

Donkey rides are available for a **£2** donation, which will be going towards the pubs fundraising for a defibrillator.

We can't wait to see you!

NEW Assistive Technology News

Software News

Spotlight on Two Innovative Tools Supporting Learning, Inclusion and Independence

ivvi Notes

AI-powered note-taking and mind mapping

ivvi (ivvi Notes) uses artificial intelligence to turn speech into clear, visual mind maps, helping people to understand, organise and remember information.

Key Benefits

- Records and transcribes speech
- Creates instant mind maps
- Helps with focus and understanding
- Editable and customisable notes
- Useful for lessons, meetings and training

Latest News – 2026

- Winner of the Bett Award 2026 for SEND and Inclusion Resources & Services
- Approved for funding through the Disabled Students' Allowance (DSA)
- May also be funded through Access to Work (for eligible employees)

Lernable®

Personalised, accessible learning for everyone

Lernable is an award-winning inclusive learning platform that helps learners of all abilities access, create and engage with curriculum content in a way that works for them.

Key Benefits

- Makes learning accessible and inclusive
- Offers text-to-speech, reading support and visual tools
- Helps with writing, organisation and creativity
- Can be personalised to meet individual needs
- Supports different learning styles and abilities

Latest News – 2026

- Continues to grow in schools and colleges across the UK
- New features and improvements released to further support inclusive learning
- Recognised for its positive impact on accessibility, independence and engagement

Inclusive Technology for All Learners

Tools like ivvi and Lernable are helping to remove barriers, boost confidence and create more accessible learning experiences.
