## Join US!

Have you ever considered becoming a key part of your child's school, helping to make changes and decisions that will have a long-lasting impact upon the school and the education delivered?

Now is your chance, we are looking for parent academy councillors to engage with us, share ideas and effect real change. There are only 3 meetings per year, you will learn all about the inner workings of the school and be able to share your skills and knowledge - after all who knows our children better than their parents? Oh and there are always biscuits or cake.

Please email:
