Open Evening!

Tuesday 25th November 2025
Talk and show arounds at 3:15 & 4:30

Are you seeking a supportive, person-centered educational environment tailored to individual learning needs?

Care First's Further Education provides a structured yet flexible approach to learning through our accredited ASDAN Learning Pathways.

Join us at our upcoming Open Evening to discover how we empower young adults with diverse needs to thrive academically, socially, and personally.

Our three bespoke pathways - Willow, Birch, and Oak—are thoughtfully designed to match different learning styles and levels of support. Each pathway is delivered through one of our three tailored approaches: Core, Enhanced, or Specialist, ensuring every learner receives the right level of guidance and challenge.

Spaces are limited, so don't miss this opportunity to find the right fit for your learning journey.
