"Trick or Treat"

Halloween Event

Dear Families,

This year our theme will be *"Trick or Treat!"*, and we will be following this each year from now on.

Our event will take place on Wednesday 21st October 2026 for the whole day, and the pupils are invited to come along to school dressed in their Trick or Treat costumes.

There will be the pumpkin carving competition as usual, so carve your pumpkins together at home to send in on the day for our competition, there will also be prizes for best costumes, so be creative and a disco.

Each class will be asked to decorate their classroom door to receive Trick or Treaters, and they will be making the treats, sweet, savoury or crafts to offer when they call at each class.

A voluntary contribution of £2 would go towards resources for the event to take place if you are able. Please sign the permission slip below, indicating if your child will be participating and whether they can have face paints applied,

Thank you for your support with this,
Many thanks,
