Autumn -September 2025

Welcome Back

Welcome back! It was absolutely wonderful to see everyone back in class and find out a bit about the highs, lows, adventures and relaxation everyone has enjoyed over the summer. We had a successful transition period before we broke up, and everyone has arrived with a positive attitude to the new term.

We are excited about the work we have planned for this term and hope you will enjoy sharing in our learning journey. We have new pupils and new staff members in Willow class this Autumn, so I hope you will join us in welcoming them.

If you have any worries or need any questions answering, please get in touch either via the school office, home school books or email:

Communication, Language and Literacy

In English this term, we will be learning about book to film stories with a focus on Charlie and the Chocolate Factory, as well as regular phonics groups and Spelling and Grammar.

Thinking and Problem Solving

During Maths this term, we will be working on looking at where we are with our maths skills in counting, reviewing what we know and learning new skills in addition, subtraction, multiplication and division.

And in Science we will be learning about our bodies and keeping healthy.

Crerativity

Our learning focus will be the Elements of art, line, shape, tone and space, learning how to create mood in our work using shading techniques.

PFA

On Fridays, there will be a focus on engaging in those activities which we enjoy participating in, that can also give us ideas about our future interests.

Independence and Wellbeing

We will be focusing on our Golden Thread targets in Wellbeing.

Other opportunities

Isobel will be here to take Forest School sessions regularly, and there will be opportunities for swimming, hydro and Rebound.

Events

We look forward to our Halloween event—Dias de los Muertos, the Mexican Day of the Dead! There will be letters coming out soon.
