Summer Term!

Hello!

We hope everyone's had a good Easter Break and managed to enjoy some of the nicer weather and signs of spring around us. In class we've sprung into action with lots of new topics in our learning and been delighted with the enthusiasm and knowledge of the children! Just before the holidays we enjoyed a fantastic trip to The Wolseley Centre where the weather may have been cold but the welcome couldn't have been warmer and staff and pupils were treated to many new experiences and made magical memories. Here are a few pictures of the adventure...

## Communication, Language and Literacy

In English this term, we will be studying "Iron Man" by Ted Hughes, modern fiction, non-fiction writing biographies and marketing as well as nonsense poems and riddles! Alongside this pupils work on their communication skills daily - Golden Thread targets.

## Thinking and Problem Solving

During Maths this term, we will be working on Pattern and sequencing, Money and Position and Direction.

In Science we will be studying physics— Energy Stores and Energy Changes and Transfers followed by a unit on Electricity and Magnetism.

## Creativity

Our exciting Art topics this term are based on Design for a Purpose and creating an Exhibition. We will be basing some of our work on the Space Race.

## PFA

Pupils are working on their individual Golden Thread targets as well as running tuck shop, clubs, learning self-care skills and some are venturing out on work experience.
