Club

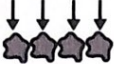

Statement

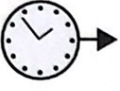

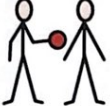

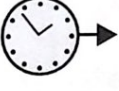

Purpose

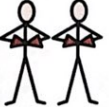

of

     
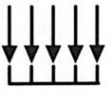

We make sure that you are at the heart of everything

        
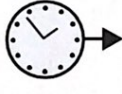

we do at Sleepover Club. It is like a comfy home,

        
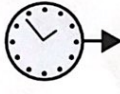

We will listen to your views and you will

         
feel safe and make good, caring friends and have mutual

       
respect from the staff. Every half term we have a meeting

     
to listen to all your ideas, to ask you if

      
you feel safe, or if you are feeling bullied. You will

       
learn independence, physical, social and emotional skills that will

   
help prepare you for adulthood
