## Vocational studies

Working towards our AIMs accreditations, this term we will be doing units around food and drink preparation, gardening and personal awareness / working towards goals.

As Hub 1, we also support and work alongside food bank, supplying donated food to those in need. We pick up and drop off food as well as sorting these based on packaging, checking whether they're out of date and even more!

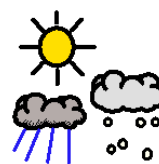

## Drinks and snacks

Please send in snacks and squash for your child, if needed. Drinks are available throughout the day and we stop for snacks mid-morning.

## Weather

As the weather gets cooler, please send in suitable clothes for going outside. We will encourage outdoor play as much as possible.

## Cooking

Hub 1 will have cooking every Wednesday, one week with Kate (our food tech teacher) and one with Sarah. Pupils will bring home a sample of their cooking, so be sure to check their bags for goodies!
