Summer– April 2025

Welcome Back

Hello, and welcome back after the Easter break. We can't believe how fast the year is going! As we enter the summer term and the weather warms up, we are hoping to spend more time outside, so please remember to send your child in with suncream and appropriate clothing, such as a sun hat. Thank you!

We will be using the home school diaries for important messages and updates, so please check these daily. We will be uploading photos onto the Evidence for Learning app each week for you to see what we have been learning in school. It's a great opportunity to look at these with your child at home and we love to read your comments! If you need any help with accessing evidence for learning, please let us know.

If you have any queries, please do not hesitate to contact us via the school office, your child's home school diary or email:

elizabeth.willis@saxon.set.org

Many thanks for your continued support!

Communication, Language & Literacy

This term, we are continuing with our AQA UAS unit, "Non-Fiction: Persuasive Texts." Pupils will be exploring a variety of persuasive texts and using objects, images and symbols to create their own.

Our class text this term is 'The Curious Incident of the Dog in the Nighttime.'

ABC

Thinking & Problem Solving

This term, we are continuing with our AQA UAS unit, "Exchanging Money". Pupils will be practising skills such as purchasing items and identifying the correct change through role play. We are hoping to organise a class trip into Lichfield this term so that we can also practice these skills out in the community, so watch this space!

123

Vocational Subjects

Our vocational AQA units this term are Out & About in the Community and Sensory First Aid. These units will provide great opportunities to increase pupil's independence and teach them essential life skills, tying in nicely with our PFA focus.

Pupils will be continuing their work with the Rotary Interact Club, raising funds for new eye gaze technology in school. Keep an eye out in the home-school diaries for news of our latest fundraising project!

Work Experience

Some pupils will be attending work experience at the Craft Barn every Thursday and there will be opportunities throughout the term for individual pupils to go shopping in the community with pupils from Hub 2.

Rebound, Hydro and PE

We access Rebound and Hydrotherapy every Friday afternoon, on a rota basis with other Towards Independence pupils.

We will let you know in the home-school diary when it is your child's turn, so you can provide the appropriate kit.

Our PE session is every Wednesday morning. This term we will be focusing on team games in preparation for Sports Day!
