Welcome

September 2025

Hello and Welcome Back! We hope you've had a lovely, relaxing summer and managed to soak up some of that sunshine! It's been wonderful to welcome everyone back and a big warm hello to our new pupils who joined us this week. We're so proud of how well everyone has settled in already!

You can catch a glimpse of our day by checking Evidence for Learning (EFL), where we'll be sharing photos and updates of what your child has been up to. Don't forget to use the home-school diary to let us know how your child is doing in the evenings or if there's anything you'd like to share with us. We love hearing from you!

Each weekend, Monty the Monkey will be heading home with a lucky pupil! He's very excited to join in with your weekend adventures. Please pop a photo and a short note in his diary so we can all enjoy hearing about his trip during circle time.

We're also planning a lovely coffee morning soon – a chance for you to pop in, see what your child has been getting up to, and have a chat with us. We can't wait to welcome you in!

Here's to a fun and exciting term ahead!

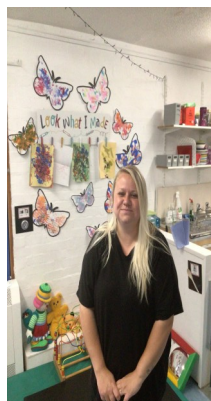

If you have any queries; please do not hesitate to contact us. Many thanks for your continued support, Kirsty, Sarah, Sassi and Ruby.

Our Topic

This term, our topic will be 'My Body'. We will be learning all about the different parts of our bodies and how they help us to move, feel, and experience the world around us. From head to toe, we'll explore the senses, how our bodies work, and how we can look after ourselves to stay healthy and strong. In our PSHE lessons, we'll also be focusing on 'Families and People Who Care for Me'. We will explore who the important people in our lives are, how we care for each other, and what makes us feel safe and loved. If you could send in or attach photos of family members, pets, or a video message on EFL, it would be wonderful! These will help us make our learning more personal and meaningful.. Thank you for your continued support!

Meet the Team

We're super excited to see what amazing things this term will bring for our incredible young people! From brilliant achievements to those magical "wow" moments, we can't wait to cheer them on every step of the way!

Music

We have a weekly music session with Matthew, our music teacher, on a Friday morning, where we explore and play different instruments. We all love our music sessions and respond differently to the different sounds and instruments. Please look on evidence for learning to see what we do and enjoy.

Sensory topics

We've got an exciting term ahead, filled with lots of sensory and therapy-based sessions that our pupils love! Each day, we'll be getting stuck into fun and engaging activities such as: Write Dance – where movement meets music and mark-making

Sound Bath – relaxing and calming through gentle sounds

Story Massage – storytelling with a sensory twist

Sensory Stories – bringing stories to life using touch, sound and smell

Dance Massage – combining movement and massage for a feel-good session

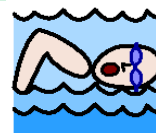

Topic Time – creative and hands-on learning based on our weekly theme

You can find out about all the fun on Evidence for Learning (EFL)

Swimming & Rebound

Our rebound session is on a Wednesday afternoon and our hydro session is on Monday afternoon.

We will try our best to allow everybody to do rebound/hydro each week but sometimes this is not possible. Therefore, children will access rebound/hydro on a rota basis.

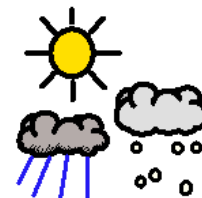

Drinks and snacks

We will continue to learn about healthy eating throughout the whole year. Please continue to send in healthy snacks and drinks for your child if they have one during break time.

Weather

As the weather starts to change please ensure that your child/young person is sent in to school in a coat and warm attire.

Forest School

Our Forest School session will be every other Friday (weather permitted). Please ensure that suitable clothing is brought in with your child on a Friday (that you do not mind getting a bit dirty).

Our Wonderful Classroom

Our wonderful and exciting classroom where all the learning, fun and messiness begins.
