

Half Term Overview

English

This half term we will be studying the story 'Grandad's Island' by Benji Davies. We will immerse ourselves in the story, the vocabulary and write shorter descriptive pieces before finally writing our own versions of the story and then an information text.

Important Information

PE days - **Tuesdays** and **Wednesdays** - Please ensure that your child comes to school in correct PE kit and that long hair is tied back and any earrings are removed.

Spelling tests are weekly on a **FRIDAY**. Please make sure your child has their spelling book in school on this day.

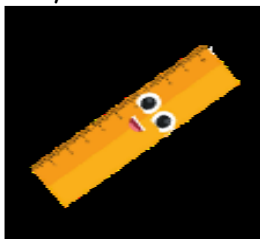

Science

During the spring term, we will be learning all about plants. This half term, we will be focusing on how plants grow from seeds and what they need to grow into strong, healthy mature plants. We will learn about the lifecycle of a plant grown from seed and experience growing different plants from seeds.

Maths

In Maths this half term, we will be continuing our learning about multiplication and division. We will then move on to learning about length & height and finally mass, capacity and temperature.

Year Two (Willow) Term Spring 2 2025 Real-Life Superheroes (2)

PE

Team Building

We will be learning how to solve challenges as a team ensuring that everyone feels included.

Games - Feet 1

The unit of work will challenge pupils to apply their knowledge and understanding of dribbling, passing and receiving in order to keep possession as a team and score a point.

History/Geography

Our topic for the spring term is Real Life Superheroes. During this half, we will be studying the amazing lives of Florence Nightingale and Rosa Parks. We will discover the struggles and inequalities they faced and the lasting impact that they left on our world.

Computing

In this unit, we will explore how music can make us think and feel. We will make patterns and use those patterns to make music with both percussion instruments and digital tools. We will also create different rhythms and tunes, using the movement of animals for inspiration.

PSHE

Our unit this half term is called Healthy Me. We will learn about healthy food, healthy relationships with food and making healthy choices. We will talk about things that make us feel relaxed and stressed. We will talk about medicines, how they work and how to use them safely.

Art/DT

In Art, we will be studying the work of the Japanese artist Yayoi Kusama. She creates large scale unique sculptures of flowers. We will look at how we can bring the flower's colour, texture and shape into our own 3D sculpture in the style of Kusama.

RE

'How and why do we pray?'

In this unit, we will learn about how Christians and Muslims pray and how much prayer is part of their lives. We will also look at special times for Christians and Muslims
