

Half Term Overview

English

Our text for this half term is *Manfish* and we will be writing a narrative based on an invention. During the second half of the term, we will be writing a biography about Jacques Cousteau, the author of *Manfish*.

In our spelling lessons we will be concentrating on prefixes of words.

Maths

We will be looking at shape, space and measures starting off with area and perimeter before moving onto time and money

The Year 4 multiplication check will take place during the weeks beginning 2nd June and 9th June.

Computing

Children will develop their understanding further of programming and look at how repetition can be used to create programmes

Important Information

Children to wear PE kits on Wednesday and Thursday

Homework will be set on a Friday and will always include maths and spellings.

School trips - countryside day 4.6.25, Sports Barn 19.6.25, River Walk 25.6.25 am only.

Year 4

Term Summer 2 2025 Where food comes from?

PE

Our PE sessions this half term will focus on Athletics

This will be in preparation for Sports day and will include running, jumping and obstacles. Teamwork will also be a large part of PE as we work in teams to race and be supportive of each other's successes.

PSHE

In our Jigsaw lessons we will be looking at healthy relationships focusing on jealousy, love and loss, getting on and falling out as well as boyfriends and girlfriends.

Science

In our science lessons we will be learning about sound. Children will learn how to identify how sounds are made, recognise that vibrations from sounds travel from the medium to the ear; find patterns between the pitch of a sound and features of the object that produces it and also recognise that sound decreases as the distance increases.

History/Geography

This half term, we will be focusing on *Geography* and looking at where food comes from and the impact our food choices has on the environment.

Art/DT

- In Art we will be focusing on drawing using
- Proportion
- Tone
- Texture

This will include drawing objects in 3D and adding texture to the drawings before looking at size and proportion

RE

Our RE sessions will be looking at Sikhism and how the lives of *Guru's* inspire Sikh believers.
