

Half Term Overview

English

This half term, we will read 'All the Things that could go wrong' by Stewart Foster.

In our writing, we will write about The Ways of the Wolf by Smriti Prasadam-Halls. We will also produce a range of incidental writing around the theme. We will write a narrative and a balanced argument linked to the book. We will complete an editing unit to improve our writing.

In reading comprehension, we will study a variety of genres and apply our knowledge of the VIPERS skills in our written answers. We will practise test questions in preparation for SATs

Maths

In maths, we will consolidate our arithmetic skills through daily 'quick maths' sessions.
We will also complete weekly arithmetic tests.

In addition, we will be learning about the following concepts:

Statistics
Shape
Position and direction

Computing

In computing, we will learn about 3D modelling.

Important Information

Please wear PE kits to school on Tuesdays and Fridays. Please read regularly at home and bring your school book in every day.
Spellings homework will be sent home on Friday and the children will be tested the following Friday.
Home work will be sent home Friday the deadline will be the following Friday.

Year 6 Summer 1 2024/25

PE

We will develop our PE skills through the following units:
Cricket
Rounders

PSHE

In PSHE, our topic is 'Relationships' where we will learn about taking care of our own mental health.

Science

In science, we will identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood. We will also investigate the impact of diet, exercise, drugs and lifestyle on the way our bodies function and describe the ways in which nutrients and water are transported within animals, including humans.

History/Geography

In history, we will learn about Africa (past and present) and the development of the slave trade. The unit will also explore Britain's role in the transatlantic slave trade.

Art/DT

In art, we will be completing a collaborative project with Year 5.

We will also be beginning a unit of work on designing and making pencil cases.

RE

In RE, we will study how and why are Jewish Festivals celebrated today.
