WHY FAIRTRADE COTTON/RECYCLED POLYESTER UNIFORM?

1. There is no difference in quality between Fairtrade cotton and normal cotton, but Fairtrade cotton farmers always receive a fair and sustainable payment for their crop. Their communities also receive a premium for projects such as building schools, hospitals, access to clean water and so on.
2. Being “Fairtrade Cotton Certified” means that all parts of the manufacturing chain have been inspected and audited to ensure that practices such as child labour and enforced overtime/long working hours don’t exist,
3. All the Koolskools-manufactured poly/cotton mix garments are made with human resource (ie plastic bottles) recycled polyester.
