

# Promoting British Values

## in PSHE...

### Mutual Respect

- We understand that our behaviour affects our rights and the rights of others.
- We listen to other students' viewpoints and compare these to our own in a respectful and considerate manner.

### Democracy

- We have a say in what happens in our school and our surroundings.
- We can suggest ideas and ways things around us can be improved e.g. through the school council.

### The Rule of Law

- We understand how laws are made in Parliament and why they are needed.
- We understand the importance of coming to school each day and the rights we have as a child.

### Individual Liberty

- We can make our own decisions and choices.
- We understand we are free to choose what we want to do within the law and can make informed choices as an individual. We understand there are consequences for inappropriate and extreme actions.

### Tolerance

- We enjoy learning about different faiths and cultures from around the world.
- We understand there are many different faiths and cultures to learn about and become tolerant to different ways of life in and out of school.
