Guadeloupe →

Les DOM-TOM, pronounced "duhm-tuhm", is actually a French acronym, and it stands for Départements d'outre-mer, Territoires d'outre-mer, which are French overseas departments and territories.

The objective is for you to do some research on one (or more!) of these areas.

Name:

Chosen DOM-TOM:

(see page 2 and choose from the list)

2

List of DOM-TOMs

Here is the list of French overseas departments and territories. You now need to choose the one you are going to do some research on.

- Clipperton
- French Southern and Antarctic Lands
- French Polynesia
- French Guiana
- Guadeloupe
- Martinique
- Mayotte
- New Caledonia
- Saint-Martin
- Saint-Barthélemy
- Saint Pierre and Miquelon
- Reunion island
- Wallis and Futuna

Saint Martin

3

Where in the world

Describe the geographical position of your chosen DOM-TOM (particularly in relation to France)
