Dear Parent/Carer,

Uniform Standards

As you know, at Scissett Middle we have the very highest expectations of everybody connected to our school. One of the areas that we insist on is that every child follows our policies on uniform. Prior to the summer break, we shared information regarding uniform with parents, with a link to the school website which outlines our expectations.

On return to school, we have a significant number of pupils wearing skirts which do not meet the uniform expectations laid out in our policy, namely tight fitting tube skirts. The information regarding the correct school uniform can be found by following the link below.

We do want to work with families and give time for this issue to be rectified and will therefore carry out a full review on Monday 25th September.

Where pupils arrive at school without the correct school uniform following this date, we will support them by providing the correct items to wear for the day and liaise directly with parents and carers of individual pupils.

Yours sincerely
Scissett Pastoral Team
