Head of School: Mrs G Senior

Executive Headteacher@ Mr C Taylor

10th October 2023

Dear Parent/Carer,

We would like to invite you to an information evening to update parents of Year 6 pupils on the current requirements for the Standard Assessment Tests (SATs); these will be taken by all Year 6 pupils in the week commencing 13th May 2024. This will take place on Wednesday 18th October, starting at 6pm.

Members of the Mathematics and English Departments will deliver a short presentation about the test papers and how we prepare pupils to sit these tests; they will also provide guidance on how you can support your child at home.

During transition week in July, your child completed diagnostic English and Maths assessments, these inform us of each pupil's areas of strength and areas for development and allows us to adapt our curriculum accordingly. Your child's results can confidentially be shared with you during the evening.

We hope that attendance at this evening will give you a greater understanding of the requirements of the SATs tests and give you an opportunity to ask any questions.

We look forward to seeing you on the evening.

Yours sincerely

Mrs G Senior
Head of School

Working together, respecting all, because everyone matters
