RE: Industrial Action

Dear Parent/Carer

As you may be aware from the media the National Education Union have voted to go on strike on Wednesday 1st February, Tuesday 28th February, Wednesday 15th March and Thursday 16th March. The union is in dispute with the secretary of state.

We are now working with schools to undertake risk assessments on these days to determine any remedial actions required to ensure safe opening. Headteachers will need to consider safe staffing levels and that schools have sufficient coverage in terms of first aid and other health and safety requirements.

Headteachers will write to you as soon as possible to inform you of any decisions which will affect the opening of school and/or the operations of school on the days affected. Please be assured that we will do everything we can to minimise disruption to children and families, but will need to put health and safety first.

Thank you in anticipation of your support

Kind regards
