5 October 2022

Dear Parent/Carer,

Few things capture the spirit of Christmas better than a Pantomime and so I am delighted to tell you that we are once again organising a full-school trip to watch Aladdin at The Viaduct Theatre, Halifax. The show is being produced by the theatre company Panto-Ever-After and, like last year, will be a hugely entertaining and highly memorable experience for all students.

We have been able to secure a reduced ticket rate and although we have found the cost of coach bookings has increased considerably, the total cost for theatre ticket, return coach travel and a small bag of refreshments will be **£16 per child**. Depending on their year group, students will either be attending on Monday 12 or Wednesday 14 December.

Although the trip is some time off, to secure the necessary number of tickets, please can you ensure that you give permission on ParentPay and have paid a **£5 deposit** by **Wednesday 19 October 2022**. If your child is in receipt of free school meals, the school is able to cover the total payment, although you must still provide your permission on ParentPay. The theatre have kindly ringfenced enough tickets until this date, but any students who have not signed up by this point will **not** be able to attend. The remaining balance will need to be paid by Friday 2 December.

Any students who do not wish to attend will be expected to attend school as normal.

If you have any further questions, then please email me at mosborne@themast.co.uk

Yours sincerely

M Osborne
