6 May 2022

Dear Parent/Carer,

Our SATs Drop Down Week has been really successful and we want to congratulate pupils for working hard and concentrating in these sessions. On Monday, students will sit their first SAT paper and we fully appreciate that some pupils may be feeling nervous, whilst others are excited. We have a full network of support in school to help our pupils through the next week.

For those pupils who would like to do some extra revision over the weekend, please utilise the SATs Companion website, My Maths and the CGP revision booklets. We feel that it is important for your children to look after their wellbeing at all times, so please take some time to rest and relax; keep hydrated, go for a walk, enjoy a family film.

On Friday 13th May, we will have a special afternoon for Y6 to celebrate the end of their SATs. We will have an ice cream van after lunch time for pupils to have either an ice cream or iced lolly. The children will then be able to relax and play games on the field (weather permitting) in the afternoon. Year 6 pupils are also welcome to dress differently on that day and not wear their school uniform.

Please enjoy the weekend and we look forward to next week. Thank you for your support.

Yours sincerely

*Ann Large*
