Dear Parent/ Carer,

Uniform Expectations

As you know, at Scissett Middle School we have the very highest expectations of everybody connected to our school. One of the areas that we insist on is that every child follows our policies on uniform and appearance.

It is not long to go now until the summer holidays when many parents will be thinking about new uniform and so we thought it would be useful to a reminder with our uniform details.

Please look at the website to see examples and details of the uniform. We would ask that you pay particular attention to details regarding school shoes and ensure that these are correct for September.

We have made a slight change in the policy with regards to school skirts. From September, all skirts worn in school must be black in either a pleated or skater style, and of an appropriate length (knee length or just above). Straight line pencil skirts will not form part of our school uniform along with tight fitting tube skirts.

In addition to this, we will no longer allow any form of black leather 'pump' style footwear. Please ensure you check the guidance on the school website carefully when purchasing new school shoes.

Where pupils arrive at school without the correct school uniform we will support them by providing the correct items for them to wear for the day, including skirts and footwear, until the issue has been fully resolved.

Should you require any further clarification, please contact the school office or your child's form teacher in the first instance. We will update our policy on the school website in the coming days to reflect the changes in place for September 2024.

Please note, we do not promote or advocate a specific brand of school skirts, however, the links below provide examples of the style of skirt which will be accepted:

If purchasing school uniform in the coming weeks, which is expected to be worn in the new school year, please consider the changes to policy in order to reduce additional financial costs to yourselves.

Thank you in advance of your co-operation with our uniform policy. If you have any questions please do get in touch.

Yours sincerely,

G Senior
