# 1. Prologue

ALL

Wind's in the east  
There's a mist coming in  
Like something is brewin'  
And 'bout to begin

Can't put my finger  
On what lies in store,

BERT

But I feel what's to 'appen  
All 'appened before.

A father, a mother,  
A daughter, a son,  
The threads of their lives  
Are all ravelling undone.

Something is needed  
To twist them as tight,  
As a string you might use  
When you're flying a kite.

Chim chiminey chim chim  
Cher-ree chim cher-roo

## 4. Cherry Tree Lane (Part 2)

**GEORGE**

Precision and order  
That's all that I ask

**ALL**

The running of a household  
A straight-forward task.

The children, the servants,  
Are all your domain,

**GEORGE**

Whilst I remain the sovereign

**WINIFRED**

You remain the sovereign

**ALL**

Of Cherry Tree Lane.

# 10. Jolly Holiday

**BERT**

All that it takes is a spark  
Then something as plain as a park  
Becomes a wonderland

All you 'ave to do is look anew  
They you'll understand.....why.....

It's a jolly holiday with Mary  
Mary makes yer 'eart so light!  
When the day is grey and ordinary  
Mary makes the sun shine bright!

**MARY POPPINS**

You do talk nonsense Bert!

**BERT**

Oh, 'appiness is blooming all around 'er  
The daffodils are smiling at the dove.  
When Mary 'olds your 'and and you feel so grand  
Your 'eart starts beatin' like a big brass band

**PARK STROLLERS**

Shh!

**BERT**

Oh it's a jolly 'oliday with Mary  
No wonder that it's Mary that we love!

**JANE & MICHAEL**

Boring just like other nannies  
Thinking parks are good for us  
It's just statues, ducks and grannies  
I don't understand all the fuss.

**JANE**

Is she doing it to spite us?

**MICHAEL**

We could lose her for a lark!

**JANE**

Perhaps it's all a plot

**MICHAEL**

I'll tell you what, she seems so different

**JANE & MICHAEL**

But I bet she's not

There is nothing to excite us

In           The           Park

**JANE:**

What was that?

**NELEUS** You're quite wrong you know. When you take a walk with Mary anything can happen.

**MICHAEL** Wha-who are you...?

**NELEUS** I'm Neleus. I've waiting half a century to take a walk on a sunny day like this!

Each man out with his dog will stand agog  
To see a statue take a gentle jog

**ALL** Oh it's a jolly holiday with Mary  
No wonder that it's Mary that we love!

### PART 1

Oh it's a jolly holiday with Mary  
Mary makes your 'eart so light  
When the day is grey and ordinary  
Mary makes the sun shine bright  
Oh 'appiness is bloomin' all around 'er  
The daffodils are smilin' at the dove  
When Mary 'olds your 'and  
You feel so grand  
Your 'eart starts beatin'  
Like a big brass band  
Oh it's a jolly 'oliday with Mary  
No wonder that it's Mary that we love

### PART 2

Let's go for a jolly saunter  
We are bound to make a mark  
Looks like all of us were born to  
Take a promenade in the park  
With our finely chis'led features  
We can look down from above  
When Mary 'olds your 'and  
You feel so grand  
Your 'eart starts beatin'  
Like a big brass band  
It's no wonder that it's May  
That we love

**ALL** No wonder that it's Mary that we love \_\_\_\_\_

# 13. A Spoonful of Sugar

**MARY POPPINS** You find the fun and snap, the job's a game  
And ev'ry task you undertake becomes a piece of cake  
A lark, a spree!  
It's very clear to see, that a

Spoonful of sugar helps the medicine go down  
The medicine go down, medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way

**HONEYBEES** Buzz, buzz, buzz, buzz, buzz!

**MARY POPPINS** Oh, my point exactly

The honey bees that fetch the nectar  
From the flowers to the comb  
Never tire of ever buzzing to and fro

Because they take a little nip  
From every flower that they sip and hence

**JANE & MICHAEL** And hence

**MARY POPPINS** They find

**JANE & MICHAEL** They find

**MP, J, M, BEES** Their task is not a grind  
For a spoonful of sugar help the medicine go down  
The medicine go down, medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way

**MARY POPPINS** Right, yourselves, please. Spit-spot  
Up we go, Robertson Ay!

**WINIFRED** Mary Poppins you're a miracle worker!  
**MRS BRILL** How did you get them to do it?

**MP, J, M, BEES**  
**W, MB, RA**  
**MP, J, M, BEES**

Just a spoonful of sugar helps the medicine go down  
The medicine go down?  
Medicine go down

**ALL**

Just a spoonful of sugar helps the medicine go down  
In a most delightful way

**MARY POPPINS**

In a most delightful

**ALL**

In a most delight-ful way\_\_\_\_!

# 13. Feed The Birds

**BIRD WOMAN**

Feed the birds, tuppence a bag  
Tuppence, tuppence, tuppence a bag

**MICHAEL  
MARY POPPINS**

There's that horrible old woman!  
Don't point. And for your information, she is not in the  
least horrible

**JANE  
MARY POPPINS**

But she's just a bundle of rags!  
When will you learn to look past what you see?  
Early each day to the steps of St. Pauls  
The little old bird woman comes  
In her own special way to the people she calls

**BIRD WOMAN**

Come buy my bags of crumbs  
Come feed the little birds, show them you care  
And you'll be glad if you do  
Their young ones are hungry, their nests are so bare  
All it takes is a tuppence from you  
Feed the birds, tuppence a bag  
Tuppence, tuppence, tuppence a bag

**MARY POPPINS**

Feed the birds, that's what she cries  
While overhead her birds fill the skies  
Here. One bag please.

**ALL**

All around the cathedral  
The saints and apostles look down  
As she sells her wares  
Although you can't see them  
You know they are smiling  
Each time someone shows that he cares

**MARY POPPINS**

Though her words are simple and few  
Listen, listen, she's calling to you

**BIRD WOMAN**

Feed the birds, tuppence a bag  
Tuppence, tuppence

**ALL**

Tuppence a bag

# 21. Supercalifragilisticexpialidocious

**MARY POPPINS** When trying to express oneself  
It's frankly quite absurd  
To leaf through lengthy lexicons  
To find the perfect word  
A little spontaneity keeps conversation keen  
You need to find a way to say precisely what you mean

Supercalifragilisticexpialidocious!  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious.

**MRS COREY & CUSTOMERS** Um diddle iddle iddle um diddle ay  
Um diddle iddle iddle um diddle ay  
Um diddle iddle iddle um diddle ay  
Um diddle iddle iddle um diddle ay

**BERT** When stone age men were chatting  
Simply grunting would suffice

**ALL** UGH!

**MRS COREY** Though if they'd heard this word  
They might have used it once or twice

**MARY POPPINS** I'm sure the Roman Empire only entered the abyss  
Because those Latin scholars  
Never had a word like this

**B, MC, MP, J, M CUSTOMERS** Supercalifragilisticexpialidocious  
Yum, yum, yum, yum, yum

**ALL** If you say it softly the effect can be hypnotious  
Check your breath before you speak  
In case it's halitocious

**JANE & MICHAEL** Yuck!

**ALL** Supercalifragilisticexpialidocious!

**ALL** Um diddle iddle iddle um diddle ay  
Um diddle iddle iddle um diddle ay  
Um diddle iddle iddle um diddle ay  
Um diddle iddle iddle um diddle ay

**MARY POPPINS** You know you can it backwards, which is  
Suoicodilaipxecitsiligarfilacrepus  
**MICHAEL** She may be tricky, but she's bloody good

**MARY POPPINS** So when the cat has got your tongue  
There's no need for dismay  
Just summon up this word  
And then you've got a lot to say

**BERT** Pick out those eighteen consonants  
Add sixteen vowels as well  
And put them in an order which is very hard to spell.

**MARY POPPINS** S-u-p-e-r c-a-l-i-f r-a-g-i-l i-s-t-i-c-e-x-p

**JANE & MICHAEL** i-a-l-i-d o c-i-o-u-u-s

**BERT** Smarty pants!

**ENSEMBLE** S-u-p-e-r c-a-l-i-f r-a-g-i-l  
i-s-t-i-c-e-x-p i-a-l-i-d o c-i-o-u-u-s

S-u-p-e-r [echo] c-a-l-i-f [echo] r-a-g-i-l [echo]  
i-s-t-i-c-e-x-p i-a-l-i-d o c-i-o-u-u-s

**ALL**

Supercalifragilisticexpialidocious!  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilistic

**JANE & MICHAEL** Supercalifragilistic

**ALL**

Supercalifragilistic  
Ex-pi-al-i-doc-ious  
Supercalifragilisticexpialidocious!

## 24. Playing The Game/Chim Chim Cher-ee

**MARY POPPINS** Playing the game, having a ball  
Those who won't play, shan't play at all  
Will we meet again?  
Maybe when they've learned to play the game

**BERT** Up where the smoke is all billowed and curled  
'tween pavement and starts  
Is the chimey sweep's world  
Where there's 'ardly no day, nor 'ardly no night  
There's things 'alf in shadow  
And 'alfway in light  
On the rooftops of London  
Coo! What a sight!

**MARY POPPINS** Joining the sweeps tonight, are we?

**BERT** The best view in the world, eh?

**B & MP** Chim chiminey chim chiminey  
Chim chim cheree  
A sweep is as lucky as lucky can be

Chim chiminey chim chiminey  
Chim chim cheroo

**MARY POPPINS** Good luck will rub off when he shakes hands with you

**BERT** Or blow me a kiss!

**MARY POPPINS** Bert!

**BERT** And that's lucky too!

**BERT** Oh you're going then?

**MARY POPPINS** The wind has changed.

**BERT** But they're good kids, Mary

**MARY POPPINS** Would I be bothering with them if they weren't? But I  
can't help them if they won't let me.

**BERT** So?

**MARY POPPINS** So they've got to do the next bit on their own.

MRS BRILL  
JANE  
MRS BRILL  
JANE  
MRS BRILL  
JANE

Where's Mary Poppins?  
Gone  
Gone?  
Mrs. Brill, what does *au revoir* mean?  
Why?  
Because that's what she's written in this note: "Dear Jane and Michael: Keep playing the games. *Au revoir*. Mary Poppins."  
It's French. It means "Til we meet again." Now, come inside before you catch your death.

MRS. BRILL

BERT

Nowhere is there a more 'appier crew  
Than them wot sing Chim chim cheree chim cheroo  
Chim chiminey chim chim cheree chim cheroo.

ALL

The wind may blow  
But who's to know  
Exactly what it's bringing  
Good news or bad  
Happy or sad  
The pendulum keeps swinging  
A gentle breeze  
That moves the trees  
Becomes an icy blast  
The warmth has gone  
They struggle on  
And now six weeks have passed.

## 28. Let's Go Fly A Kite

**BERT**

O' course you have. But you need to know how it's done.  
Get some training in, and you'll make him the proudest  
father in the whole bloomin' empire!

With tuppence for paper and strings  
You can have your own set of wings.  
With your feet on the ground  
You're a bird in flight with your fist holding tight  
To the string of your kite.

**BERT, KITE  
FLYERS**

Oh let's go fly a kite  
Up to the highest height.  
Let's go fly a kite and send it soaring.  
Up through the atmosphere  
Up where the air is clear,  
Oh, let's go fly a kite.

**BERT  
MICHAEL  
JANE  
BERT**

Reel it in!  
I can't! It's stuck.  
I'll help.  
You can do it. Pull one more time.

**ALL**

Ah let's go fly a kite  
Up to the highest height  
Oh let's go fly a kite.

## 32. Step In Time

**SWEEP 2** Brush away your tears.  
**SWEEP 3** Cobwebs that aren't swept away ...  
**SWEEP 4** Hang around for years.

Smudged with tar and grime,  
But when you need a helping hand,  
We try to step in,  
Try to step in just in

Parenthood's the same.
- MARY & BERT**  
**BERT** Never miss a chance to get it right.  
Don't it seem a perfect crime,  
Don't it seem a shame
- MARY POPPINS** When the steps aren't going as smoothly  
as they might?

### 33. Step In Time (playoff)

**SWEEPS** Goodnight, Guv'nor. Cheerio Guv'nor. Goodnight Gov'nor.  
**MICHAEL** Cheerio Guv'nor.

# 41. Anything Can Happen (Finale)

**WINIFRED**

Gone? How peculiar.

**GEORGE**

She'll be back. Now, what do you think of this?

**MICHAEL**

It's the best I've ever seen.

**GEORGE**

Could we fly it together?

**MICHAEL**

Oh, Daddy!

**JANE**

Mary Poppins won't be coming back. She's gone forever.

**WINIFRED**

My dear, how could you possibly know such a thing?

**JANE**

Because we don't need her ... not anymore.

And other families will, won't they daddy?

**GEORGE**

They will.

**WINIFRED**

I wonder if she's right, George, and we really could do without a nanny from now on. What do you think?

**GEORGE**

I think you'd better dance with me!

**WINIFRED**

George, this is serious.

**MICHAEL**

Look! A shooting star! We should wish on it!

**GEORGE**

Oh, I think we can do better than that-

If you reach for the stars,  
All you get are the stars,  
But we've found a whole new spin.

**WINIFRED**

If you reach for the heavens,

**ALL**

You get the stars thrown in.

Anything can happen if you let it.  
Life is out there waiting,  
So go and get it.  
Grab it by the collar.  
Seize it by the scruff.  
Once you've started living life,  
You just can't get enough.

## ALL (PART 1)

Anything can happen, it's official.  
You can choose the super or the superficial.  
Sally forth the way we're steering.  
Obstacles start disappearing.  
Go on, chase your dreams.  
You won't regret it.  
Anything can happen, anything can happen.

## ALL (PART 2)

Anything can happen,  
Anything can happen.  
Sally forth the way we're steering.  
Obstacles start disappearing.  
Go on, chase your dreams.  
You won't regret it.  
Anything can happen,  
Anything

## W, G, J & M

Anything can happen

## JANE MICHAEL

We won't forget you, Mary Poppins.  
We'll never forget ...
