

Dear Parent/Carer,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 6 February 2026**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Half a million children a year suffer abuse or neglect in the UK. That means 7 children in a classroom experience abuse before they turn 18.

Making Maths Meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We will be taking part in Dress up for Digits. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt), or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a suggested donation of £1+. If your child prefers to wear their school uniform for the event, that will be absolutely fine.
- Pupils are invited to take part in a week-long TT RockStars battle (January 30th – February 6th).
- Other departments will be supporting Number Day in their lessons with activities linking their subject and maths.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Scissett Middle School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

PAYMENTS/DONATIONS FOR THE DAY CAN BE MADE ON PARENTPAY FROM TODAY UNTIL MONDAY 9 FEBRUARY 2026.

Thank you for your continued support.

Yours sincerely,

N Robinson

Mrs N Robinson
