Quarry Bank Mill

New Year 8

Just a reminder that a deposit needs to be paid to hold your child's place on the Quarry Bank Mill trip in September.

Summer Showcase

Our recent Summer Showcase celebrated some of the fantastic drama, dance and music that students produce in lessons and in extra-curricular activities. A massive congratulations to all performers and a HUGE thank you to Miss Johnson, who gave so much time to rehearsing and directing all the drama items to a truly exceptional standard.

Please [follow this link](#) for a gallery of images from the event.

Vibration Studios

Last week The Troublemakers visited Vibrations Studios to record their winning Battle of the Bands song. As well as learning about the recording process they were even treated to some sneak previews of unreleased material from other artists. A huge thanks to our engineer Piper who made the girls feel so welcome and has got the record sounding absolutely superb.

Please enjoy the finished result [here](#)!

Exam Success

In the previous bulletin we shared a link to Caitlin performing a piece from her recent Grade 6 piano exam - but there was a problem with the link! [Please click here to see the video.](#)

Also, a huge congratulations to Amy, Year 7, who has just received a distinction for her Grade 1 drum kit exam. Please do email Mr Osborne any other music exam success for us to celebrate in future bulletins!

Instrument Lessons

If your child is interested in learning an instrument in school, including singing lessons, please visit the Musica Kirklees website (www.musicakirklees.org) for further information. As well as the application form you will find short videos which will help your child decide on a suitable instrument. If your child is eligible for free school meals please email Mr Osborne (mosborne@themast.co.uk) to discuss how the school could support with the cost.

School Uniform Exchange

It is that time of year when the new school uniform starts to appear in the shops and the annual task of getting the new year's uniform begins.

At Scissett Middle School we arrange a uniform collection each summer – this is to help with the cost but also because we feel it is more environmentally friendly to recycle good quality school uniform.

We would like to ask parents with pupils already at the school to donate any uniform that is surplus to requirements but still in good condition.

We will then have a uniform collection on **Tuesday 23rd July** in the school art room where we will invite parents into school to take a look at what we have available.

The uniform collection will take place in the Art Room from 1pm. The vehicle gate will be open so please feel free to park in both the visitor and staff car parks. Please also bring your own bag to take uniform home in as we won't have enough for everyone.

Reminder for September

Please can we remind all parents that pupils should not bring any food items with nuts or sesame seeds into school. This is because we have children with severe allergies to these products. Recently we have had an instance where Ferrero Rocher wrappers were left in the dining room, these clearly contain nuts.

Thank you for your support with this very important matter.

Happy Summer!

We would like to take this opportunity to wish you all a wonderful and relaxing summer break. It was lovely to meet our new pupils this week, we hope they enjoyed their taster week here and look forward to seeing them in their new Scissett uniform in September.
