## Uniform

We are asking for surplus school uniform to be handed back to school so we can recycle it and it can be used by another family.

Primarily we need the uniform that has the school logo on it. We are especially low on PE uniform too.

If you are able to donate any uniform that your son/daughter has grown out of we would be extremely grateful. Please hand any spare uniform into the school office clearly labelled 'school uniform exchange'.

Many thanks for your support.

## Drowning Prevention Week

The Royal Life Saving Society's (RLSS) Drowning Prevention Week takes place from 15th to 22nd June. It aims to raise awareness of water safety ahead of summer, when the risk to the public through accidental drowning increases significantly. During this week, our pupils will take part in sessions that aim to educate them on the dangers open water poses, such as cold water shock, hidden undercurrents and unseen operational machinery, as well as how to keep themselves and their friends safe and what to do in an emergency situation.

### After School Cricket Training

From Wednesday 12th June, Mr Wiles will be running an after school cricket club. This club is open to everyone from all year groups and will run until the end of term. If your child is interested, please sign them up on ParentPay as soon as possible.

### Attention Students....Read On If You Dare!

Have you heard the tale of 'Hester's Haunt', the famous 1640's Kirkburton ghost story? When the vicar's wife was mistakenly shot her ghost began haunting the local area!

Former Scissett Middle students, Isaac Thornton and Danny Taylor, the founders of 'Digno Films', have been working on an exciting project to bring this tale to life. The trailer for the short film can be viewed by following the link below - you may spot some more former SMS students too - and the full film is being released in September!

They are running a competition to design a piece of artwork, linked to the film. They have said "this could be anything from a drawing of the church to your own idea of what the ghost might look like. With the trailer as your inspiration, be as imaginative as possible".

The winning artwork will be displayed at the film premiere and will also feature on the end credits of the film. Other prizes include signed film posters and for 1st place, a Cineworld gift card!

Please can all entries be brought to the school office or emailed to Mr Osborne ([mosborne@themast.co.uk](mailto:mosborne@themast.co.uk)) by Tuesday 25th June. Good luck!

## Junior Maths Challenge

On 25th April, a group of Year 6, 7 and 8 students participated in the Junior Maths Challenge. It was a wonderful opportunity for pupils to showcase their mathematical abilities and problem-solving skills. They demonstrated exceptional competence in mathematics and have been awarded either a bronze, silver, or gold award. Some of our Y8 pupils have received invitations to participate in either the Junior Mathematical Olympiad or the Junior Kangaroo. Excellent efforts everyone, Well Done!

Special mention to the following Year 8 pupils who achieved the gold award: William B (8AW), Lewis G (8CD), James M (8AW), Alex M (8CK), Olivia S (8GB) and Harry S (8JM).

## International Women in Mathematics Day

On the week commencing 20th May, five courageous and confident Y6 girls: India G., Millie S., Gabrielle S., Polly S. and Edie H, delivered assembly to Year 6, 7 and 8 students. On the 12th May people across the world celebrate International Women in Mathematics Day, so girls introduced everyone to a few women who hugely contributed to mathematics we know today. Well done girls!

## Bon Voyage!

Wishing our Year 8s on the French trip (and accompanying staff!) a fabulous time! Mr Osborne will be providing updates throughout the trip, so please follow our Facebook group to see these.

## Lost Property

We still have many items of unnamed lost property. Please see our Facebook group for images of some of our latest items and contact the school office if you recognise anything. In addition to this we have an extremely large quantity of plastic lunch boxes. If your child has lost anything then please ask them to take a look outside the school office.
