Well Done!

We would like to say a big well done to Mia in 7TL who has undergone a massive change. Amazingly she has raised over £1600 for the Little Princess Trust by donating 16" of her hair which will be made into a wig for children who have lost their hair. She has been planning this fundraising effort for the last three years, growing and looking after her hair with a view to cutting it all off.

Singing Lessons

Our singing teacher Mr Bradnum, from Musica Kirklees, is offering some free taster singing lessons. Your child would be in a small group and have a run of three lessons to see if it's something they could be interested in pursuing. If you'd like to sign your child up then email Mr Osborne: mosborne@themast.co.uk

Year 7 R.E.

Our R.E. department would like to say thank you to the Year 7 pupils for the fantastic effort shown on their recent homework.

Year 7 have been learning about some key ideas in Buddhism and looking at the importance of meditation to Buddhists. Their homework was to think about a meditation space, and we have been blown away by students' creativity and interpretations.

We have had some super garden designs on paper and on Minecraft. Special mention to Will, Finn, Gracie, Arthur and Zach for these fabulous models.

Dance Club Visit

The members of our Monday afterschool dance club worked very hard last term, preparing two dance routines which they performed to Year 3,4 and 5 students at Scissett CE Academy. The First School children also enjoyed participating in a dance workshop led by dance club teacher Amelie and the Scissett Middle dancers. The talent and confidence on display across all students was lovely to see, and we were very proud of the positive and encouraging attitude our students demonstrated to the younger years. This was a fantastic opportunity for all involved and we really look forward to the next one.

Meeting the Mayor

On Thursday morning our Year 6 School Councillors (Edie H, Polly S, Oliver M, Charlotte D, Myles B, Molly S and Amelia D) went on a visit to Huddersfield Town Hall. We got to meet the Mayor and find out about how our council is run (we even got to use the voting equipment). We learnt about the role of a councillor and how democracy works in our country.

It was a really interesting morning and I would like to say a big thank you to the pupils who attended as they were an absolute credit to our school.

French Extension Class

During French Extension Class, five Year 8 pupils were each asked to represent a travel company and promote a travel destination of their choice in the target language. In the form of a presentation, they had to sell the location, activities and accommodation using higher tier French. They did an amazing job and should be very proud! Bravo!!
