Year 8 Charity Day

Thank you so much to everyone who supported our Year 8 Charity Day on Friday 17th November. You have helped to raise over £950 for The Children's Hospital Charity, at Sheffield Children's Hospital, which is fantastic. If anyone would like to contribute further to this Year 8 charity we also have a Just Giving page please [click this link](#).

It would be amazing to raise even more funds for such a well deserved cause. Thank you for your continued support.

National Space Centre Workshop

On Monday 13th November Year 7 and 8 pupils signed up to attend the Artemis and Beyond Space Workshop lead by Sharon Cole, ambassador for National Space Centre.

The pupils were able to discuss rocket fuels linking this to energy stores and forces. After rocket science calculations there were able to design their own rocket and test this out using an air pressured system.

Pupils were then able to learn about the space suits and the effects of pressure on the human body, represented by decompressing a marshmallow in a syringe and boiling water below 100°C.

Good Luck

Good luck to Iris (Year 6) and Claudia (Year 8) who are performing with Red Carpet Theatre School's production of Frozen Jr. at Pontefract Town Hall this weekend. Both girls are extremely talented performers with big futures on stage. Break a leg!

Christmas Concert

Please see the poster below for details of Christmas Concert. Student performers will be given permission letters over the next few days, but whether you have a child performing in the concert or not - we would love to see you there! Tickets are on sale on ParentPay from Monday 27th November, initially limited to two tickets per student. Then on Monday 4th December any remaining tickets will go on general sale. A fantastic night of festive entertainment and not to be missed!

Year 7 Pantomime Trip

A reminder to Year 7 parents that the final payment deadline for the pantomime trip to the Viaduct Theatre, Halifax is Friday 8th December. The trip is taking place on Wednesday 20th December and please remember that as we do not anticipate being back at Scissett until approximately 4.45pm your child will need alternative travel arrangements home.

If you are collecting your child by car please do not park in the bus bay as this could block the coach's access.

PE This Term - Hockey

All pupils will be playing hockey this half-term as part of the P.E. curriculum. We would like to strongly advise that all pupils wear a mouthguard during these lessons. Please contact your child's P.E. teacher if you have any questions.

Bikeability

This week we have had two groups of Year 6 and 7 pupils taking part in their Bikeability Level 1 and 2 qualifications.

They have enjoyed several days both on and off the school site, learning important cycling skills to help keep them safe while cycling on the road.

Sporting News

On Thursday 16th November, Six Key Stage 3 pupils travelled to The Zone in Huddersfield to take part in a football tournament against other school. Our pupils came third in the tournament, winning a bronze medal. Well Done!
