Dear Parents/Carers,

I am writing to inform you about an exciting enrichment opportunity we are planning for pupils as part of their history studies.

As part of our work on Roman history, we hope to host a Roman History Workshop at school, led by a professional Roman soldier actor. During the session, pupils will take part in an interactive workshop where they will learn about life in the Roman army, equipment, daily routines and the wider impact of the Roman Empire. The workshop is designed to bring learning to life and deepen pupils' understanding of the curriculum in an engaging and memorable way.

To enable this event to take place, we are asking parents and carers for a voluntary contribution of £2 per pupil. This contribution will help cover the cost of the visiting specialist and associated resources. As a school, we remain fully committed to inclusion and would like to reassure you that no pupil will be excluded from the workshop if a contribution is not made. Please can we ask you to make the payment by Friday 22 May 2026.

However, I do need to be transparent that, should we not receive sufficient voluntary contributions overall, the school may unfortunately have to cancel the event due to cost constraints. Parents are also welcome to contribute more than £2 should they wish.

If you are able to contribute, please can you do so on ParentPay. Any support you can offer is greatly appreciated and will help us continue to provide exciting and enriching experiences for our pupils.

Thank you, as always, for your ongoing support of the history curriculum and wider school activities. If you have any questions about the workshop, please do not hesitate to get in touch.

Yours sincerely

R Pocock
