PSHE Updates

Life Lessons

Over the next couple of weeks, all students are due to move onto new units of work.

Y6

Throughout this next half term, Y6 will move onto their next unit of work, which focuses on the 'Changing Adolescent Body'.

This unit includes key facts about puberty, which incorporates physical and emotional changes and menstrual wellbeing.

Click the image below to take you to the 'Amaze' website where you can find guidance for talking to your children about PSHE topics at home.

RE Scissett posts extra links and guidance. Make sure you follow us!

Y7

Throughout this next half term, Y7 will move onto recapping their prior knowledge on the 'puberty' unit of work, which focuses on puberty and menstrual wellbeing. They will also look at the main changes that take place in males and females and the implications on emotional and physical health.

A more in depth guide to our programme of study for all year groups can be found on the school website.

Y8

Throughout this next half term, Y8 will move onto their next unit of work, which focuses on 'Internet Safety and Harms' and 'Online and Media.'

This unit looks at rights, responsibilities and opportunities online; online risks and laws related to viewing and sharing harmful material. It also looks at how information is generated, collected and shared online. Pupils are shown what to do and where to go for support to manage issues online.
