Worship in School
In Monday's worship, Miss O'Donnell shared Jesus' Parable of the Two Sons. The children reflected on how our actions show what is truly in our hearts, and how we can show love and care for others through the choices we make each day.
Harvest Festival: Yesterday, we came together at church for our Harvest Festival, led beautifully by our Year 6 children. It was a lovely opportunity to give thanks for all that we have and to think about how we can share with and care for others. A huge thank you to everyone who contributed to the service and to all our families for your generous Harvest donations, which will be given to the Olive Branch to support people in our local community.

Celebrating Life in School
Y1 have been making the most of the good weather this week with some outdoor learning and went on a listening walk.
Y3 have been inspired by Street/Graffiti artist Keith Harling and designed their own colourful artwork.
Good luck to our athletics team who are taking part in the first of the interschool athletic competitions tonight. Thanks to parents for supporting them with transport!
Keep an eye out for all their activities by visiting: Scotforth St Paul's C of E Primary & Nursery School (scotforth-st-pauls.lancs.sch.uk)

Free to a good home!
We're having a bit of a clear-out in school and have some furniture that we no longer need, including desks/tables, filing cabinets and a few chairs. Before we look at other options, we thought we'd see whether any of our families could make use of anything. Everything is free to a good home – you'll just need to be able to collect it from school! Please contact the school office if you're interested in any of the items pictured (images attached).
