

Art	Drawing skills	Talk about their art and the work of other artists, designers and craft workers.	Knowledge of the elements of art
	<p>KS1 :- Pupils should be taught to use a range of materials creatively. To use drawing ..... to develop and share their ideas, experiences and imagination.</p> <p>KS2:- pupils should be taught to improve their mastery of art techniques including drawing with a range of materials. To create sketchbooks to record observations and use them to review and revisit ideas.</p>	<p>KS1:- Pupils should be taught about the work of a range of artists, craft makers and designers, describing similarities and differences and making links to their own work.</p> <p>KS2:-pupils should be taught about great artists, architects and designers in history.</p>	Pupils should be taught to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.
Nursery	I can create closed shapes with continuous lines and begin to use these shapes to represent objects.	I can talk about my work to an adult.	I can explore colour and colour mixing
Reception	<p>I can hold a pencil effectively in preparation for fluent writing-using the tripod grip in almost all cases</p> <p>I can use paintbrushes</p> <p>I can begin to show accuracy and care when drawing</p>	I can share my creations, explaining the process I have used.	I can experiment with colour, design, form and function.
Year 1	I know how to use a wide range of different lines. e.g. thin, bold, feint, wavy, broken etc to represent objects and ideas.	<p>I know and can describe the techniques I have used in my work.</p> <p>I know the name of the materials used.</p>	I know how to make secondary colours from primary colours.
Year 2	I know how to create simple drawings based on close observation of objects.	<p>I know and can describe what I like/dislike about a piece of art, either mine, another child's or a famous artist.</p> <p>I know some facts about a famous artist or designer.</p>	<p>I understand there are colour families e.g hot and cool.</p> <p>I know how to reproduce colours from works of art with accuracy.</p>
Year 3	I know how to make initial sketches as preparation for a painting, a printing block or a 3D sculpture.	I know what to look for when annotating a piece of work by a well-known artist or designer.	<p>I know that I should add white to lighten and black to darken. Explore tints and shades.</p> <p>I know how to match colours to the environment.</p>
Year 4	I know that I should select appropriate media for drawing including a range of different pencils.	<p>I know how to adapt my own work based on picture by an artist or designer.</p> <p>I know how to change materials and techniques to create a desired effect.</p>	I know about the colour wheel and use specific artistic vocabulary.
Year 5	I know how to work in a sustained way using techniques such as cross-hatching and shading to show tone and texture.	<p>I know how to adapt my own work based on picture by an artist or designer.</p> <p>I know how to change materials and techniques to create a desired effect.</p>	I know about and can describe and use complementary and contrasting colours.
Year 6	<p>I know about and am developing an awareness of composition, scale and proportion in my work e.g. landscapes.</p> <p>I know how to produce accurate drawings of humans.</p>	I know how to make an in depth study of an artist/ art movement and use what I have learnt in my own work.	I know how to mix and match colours to create atmosphere and light effects.
