

Art	Drawing skills	Talk about their art and the work of other artists, designers and craft workers.	Knowledge of the elements of art
	<p>KS1 :- Pupils should be taught to use a range of materials creatively. To use drawing to develop and share their ideas, experiences and imagination.</p> <p>KS2:- pupils should be taught to improve their mastery of art techniques including drawing with a range of materials. To create sketchbooks to record observations and use them to review and revisit ideas.</p>	<p>KS1:- Pupils should be taught about the work of a range of artists, craft makers and designers, describing similarities and differences and making links to their own work.</p> <p>KS2:-pupils should be taught about great artists, architects and designers in history.</p>	<p>Pupils should be taught to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.</p>
Nursery	I know that drawing on different surfaces using a variety of tools will give different results.	I can talk about their work to an adult.	I know the name of the colours of different objects.
Reception	I know how to use pencils, crayons, pastels and brushes with a suitable grip.	I know and can talk about what I like and dislike about my work.	I recognise and know the names of the primary colours.
Year 1	I know how to create a wide range of different lines. e.g. thin, bold, feint, wavy, broken etc to represent objects and ideas.	I know about and can describe the techniques I have used in my work. I know the name of the materials used.	I know how to make secondary colours from primary colours.
Year 2	I know how to create simple drawings based on close observation of objects.	I know and can describe what I like/dislike about a piece of art, either mine, another child's or a famous artist. I know some facts about a famous artist or designer.	I understand that there are colour families and know about hot and cool colours. I know how to reproduce colours from works of art with accuracy.
Year 3	I know how to make initial sketches and use them as preparation for a painting, a printing block or a 3D sculpture.	I know what to look for when annotating a piece of work by a well-known artist or designer.	I know that I should add white to lighten and black to darken and can describe tints and shades. I know how to match colours to the environment.
Year 4	I know that I should select appropriate media for drawing including a range of different pencils.	I know how to use works of art as an inspiration for my own work. I know what to look for and the vocabulary to use when comparing two similar artists.	I know about the colour wheel and use specific artistic vocabulary.
Year 5	I know how to work in a sustained way using techniques such as cross-hatching and shading to show tone and texture.	I know how to adapt my own work based on picture by an artist or designer. I know how to change materials and techniques to create a desired effect.	I know about and can describe and use complementary and contrasting colours.
Year 6	I know about and am developing an awareness of composition, scale and proportion in my work e.g. landscapes. I know how to produce accurate drawings of humans.	I know how to make an in depth study of an artist/ art movement. E.g. Pointillism and use what I have learnt in my own work.	I know how to mix and match colours to create atmosphere and light effects.
