Trophies

URGENT REMINDER—we are still missing several trophies for next week's assembly. Please remember to bring them in on Monday. Many thanks.

Multi-Skills Club

Please note that due to the school trip on Monday 17th July, there will be no multi-skills club after school.

Moving On Evening 3.30–6pm

This is a time for parents to discuss the written reports with the current class teacher, and to meet and talk with the new class teacher. Teachers will be in their current classrooms.

As we prepare for further building work to take place over the summer holidays, we are taking down displays so classrooms may look different to how they have looked all year. Please enter via the main front door & sign in for fire safety and safeguarding reasons for after school club.

Castle (Red) House Team Reward

The children in Castle House can wear their own clothes to school on Tuesday. The reward has been chosen by House Captains for winning last term.

Worship in School

On Monday, we thought about how God uses people that others may disrespect and talked specifically about a story from the Old Testament—Elijah and the widow. We have continued learning how to sign The Lord's Prayer and managed to say & sign it all the way through—very impressive! Please remember - next Friday's Worship is in the morning at 9.05am. Please DO NOT send in any awards or certificates from outside school as Worship will be full with all our internal awards.

Celebrating Life in School

The children have been trying out new activities this week — archery and cheerleading! Many thanks to Mrs Winder for her time and energy for providing the opportunity for cheerleading. Even though the forecast wasn't great for the Y1 & Y2 trip, they still had a great time. Y6 brushed up their Shakespeare on Wednesday to give a great performance of The Tempest. Thank you to all the parents and friends who came along to support them. Y6 left early this morning for their outing to the Lake District— fingers crossed for favourable weather! No doubt there will be plenty of pictures on the class blog in the coming days. Uniform

'Back to School' already as far as the sale of uniform goes in the shops! Summer is a good time to go through children's uniform and update/replace worn out and outgrown uniform. Even though our uniform is an 'active uniform' please take the time to make sure the children are still neat and tidy with black or dark grey leggings/joggers/shorts/skorts and black trainers. Green tops with or without the school logo are acceptable. Whichever smart option you go for, please remember TO NAME EVERYTHING! Many thanks.

Help Needed (Still!)

We are asking if there are any parents available to help move furniture & resources into storage in preparation for further building work from Reception Class to the port-a-cabin (small room) on Tuesday 18th July from 1.15pm. We also need help to do the same from Y2 classroom into the computer room on Thursday 20th July from 1.15pm. If you are able to help please let the office or class teacher know as soon as possible. Many thanks.

Feedback

Many thanks for completing the recent SIP questionnaire. I am preparing a response which will be available in the corridor outside my office on Wednesday during Moving-up Evening.

Gentle Reminders

Ear Piercing— if parents are allowing their child to have their ears pierced over the holidays, please remember that they will not be allowed to wear them when they return to school in September.

Dinner Money— please ensure ALL balances are cleared before the end of term, particularly important for Y6 children.

Absence— please inform school before 9.30am if your child is going to be absent that day.
