Well -Being Wednesday
School is having a Well-Being Wednesday on 18th October. Please have a think about what you can do to help the children's mental health & well-being. We need people to lead activities & some to help supervise those being led by others. Simple activities are usually the best, eg mindfulness, colouring, reading, decorating biscuits or playing board games. We are sure there are many more ideas—anything that can improve well-being. If you can help, please contact head@scotforth-st-pauls.lancs.sch.uk — the more helpers there are, the more benefit the children will have.

Open Day
We will be having an open day for our current parents once all the building work has been completed—watch this space for more details!

Reminders
It has been noted that there are still a few children with earrings in when at school. Please either remove them or cover them with a plaster—this rule also applies to the nursery children. Thank you. Dinner Money Please ensure your child's dinner money is up to date otherwise we may ask that you provide a packed lunch until an outstanding balance has been settled. . Please come and talk to us if you feel you are having problems with the cost.

Worship in School
On Monday we thought about rules, rules, rules! In the Old Testament, God's people had many rules to follow, but Jesus had two—Love God and love other people. We reminded ourselves about how we can show that we care for others & watched a Lego version of the Good Samaritan.

Harvest Festival
We are celebrating Harvest in Church on Monday 25th September in the afternoon—watch this space for actual time! Everyone is welcome. Any donations of tins & packets for local charities would be most appreciated.

Celebrating Life in School
Don't forget to have a look at the school website—Y6 have been having great fun in Lockerbie this week. The class blogs give lots of information about what has been happening and upcoming events—it's always worth keeping a check just in case messages don't reach home!
