Celebrating Life in School
<p>Considering how hot it has been this week, the children have been very enthusiastic in all their activities. Y2 have been bowling and discovered it is far more tricky than it looks!</p> <p>Y4 were out and about in the playground discovering all about living things and their habitats, being careful to put them back where they found them. Mrs Redmayne was very proud of her Y5 cricket team who showed great enthusiasm despite the very hot weather. Many thanks go to the parent helpers who stayed to support and provided much needed ice lollies at the end!</p> <p>Y6 reached new heights on Monday visiting the climbing wall at Salt Ayre—great fun was had by all.</p> <p>Our girls football team were amazing yesterday winning the Lancaster Primary Schools Competition. Again, many thanks to the parent helpers, without whom many of these activities could not take place.</p> <p>Scotforth St Paul's C of E Primary & Nursery School (scotforth-st-pauls.lancs.sch.uk)</p>

Sports Days
Weather dependent, the times for both days are starting at 9.30 and finishing at 11.30am. Should we have to postpone due to the weather, we will let you know as soon as possible.

Worship in School
<p>On Monday, we thought about what respect means and watched a short video featuring an England rugby player. She talked about the importance of respect in sport. The children then reflected on what respect means to them and drew pictures or wrote about their thoughts.</p> <p>On Wednesday, we had some visitors from Lancaster library. They told us about the reading challenge for the summer holidays and all the other activities that are available for free during the week and weekends - Events - Lancashire County Council.</p> <p>On Thursday, Rev Rebecca started teaching us about The Lord's Prayer, which we are learning to say and sign off by heart. So far, Reception to Year 5 have learnt "Our Father in heaven. Hallowed be your name", see if they can teach it to you.</p>
