Parent Consultation Appointments
Children have been given a slip today with the time of your consultation next Wednesday. If they haven't passed it on to you, please ask them and/or check bags!

Worship in School
On Monday the Worship team talked about the healing of the paralysed man and asked everyone to be kind and compassionate to their friends. The singing in Wednesday's Prayer and Praise Worship was lovely - we sang different songs about being kind. Rev Rebecca led Worship on Thursday. We looked for a donkey in the big picture and she shared the story of the Good Samaritan. Again she left everyone with a challenge about being kind to all - including those who are different to you.

World Book Day—Thursday 7th March
Don't forget to dress up as your favourite book character on Thursday (if you want) and to bring a hard-boiled egg decorated as a book character for our competition! We can't wait to see what creations the children come up with! Y5s—please think carefully about your outfit as you will be going swimming! There will also be a World Book Day Lunch (see attached poster for the 'book menu'). Your child can order on the day, no need to pre-order.

Easter Bingo
Please have a look at the attached poster which gives details of times and ticket prices. Tickets will be on sale soon from the school office.

School Council—Charity Event
The school councillors are hoping to organise a fund-raising event on Monday 25 <sup>th</sup> March after school. They are planning to set up a number of stalls and sell things to raise money for Cancer Care. They have decided on:
<ul style="list-style-type: none"> <li>• a cake stall - please support by providing cakes</li> <li>• a craft stall - anything homemade</li> <li>• an adopt a teddy stall - donations of teddies gratefully received</li> <li>• a lemonade stall</li> </ul>
a guess the number of jelly beans stall
They asked me to let you know, so that you can have a think about how you could help. Please bring donations on the morning of Monday 25 <sup>th</sup> and bring cash with you at the end of the day.

## Celebrating Life in School

This week Y6 went along to church where Rev Rebecca explained about the Eucharist and how it is linked to other religious festivals. They asked lots of in depth questions and found it very interesting. In science Y4 found out about the laws of gravity and forces and how mass and weight are linked. Our Nursery detectives found out about what is safe to go into our bodies and talked about what is and not safe at home.

There are some great pictures on the school blog: [Scotforth St Paul's C of E Primary & Nursery School \(scotforth-st-pauls.lancs.sch.uk\)](http://scotforth-st-pauls.lancs.sch.uk).

## Reminders

**Ear-rings** It has been noted that there are some children wearing ear-rings to school– this includes nursery children. Please ensure these are removed before coming in, otherwise they will not be allowed to take part in PE or playtimes.

**Lost Property:** please ensure ALL belongings are clearly named in order that they can be returned. Any gloves/hats left in the box at the end of next week will be disposed of.

## Online Safety

This week it's the adults' turn for some safety tips with advice on how to keep private information private.
