Worship in School
On Monday, Miss Huddleston continued with the theme of courage and asked the children to think about what being courageous means to them. They had some very insightful thoughts. During Worship for the rest of the week, the children have continued to think about people who have changed the world by being brave and singing courage songs.

Celebrating Life in School
We have finally been able to celebrate all the wonderful things the OFSTED inspectors saw when they visited our school in November. We are delighted with the many complimentary comments in the report and we are very proud to be judged as a good school with outstanding features. The report can be found on our school website.
This week the athletics team represented school in the Indoor Athletics Competition. Their team spirit, encouragement towards each other and resilience shone through. They finished 4th out of nine schools in total. Well done to our Year 5 and 6 athletes.
After looking after Mrs Walsh when she was ill at the start of the week, Rosie the reading dog returned to school on Friday. She enjoyed hearing stories and information from books, read to her by some of the Year 1 children.
Today has been a non-uniform day, organised by the School Council. Thank you for the donations to Cancer Care. In total, just over £290 has been raised.
The school blog is regularly updated, check it out to see what is happening in school— Blog Scotforth St Paul's C of E Primary & Nursery School (scotforth-st-pauls.lancs.sch.uk)

Reminders
Please remember to use the one way system in the morning—enter through the main entrance and leave through the car park. There is no one way system in the afternoon at collection time. Parent Governors closing date—Mon 29th Jan.

SCOT4ALL
The next SCOT4ALL planning meeting will be on Thursday 1st February at 3.10pm in school. Please join us as we need to make arrangements for a film night on Monday 5th February. Childcare will be available. The more the merrier!
