Worship in School
On Monday we talked about being thankful on celebration days, ordinary days and finding things to be thankful for even when we are sad. On Thursday Rev Catherine came for her first service. She explained all about Pentecost, how it got the name and what it means.

Celebrating Life in School
There has been a sporty theme to activities this week (and the weather has been on our side for once!) . Y5 & 6 had their intra-sports on Monday which was planned by the Sports' captains. They did a great job organising the games and teams. On Thursday Y6 took part in the Annual Salt Ayre Sports Festival. They competed against 28 other schools and came out winners in the girls' football and dodgeball and runners up in korfbal. They all played brilliantly and were fantastic ambassadors for school. EYFS children are continuing to look after their beans and watching them grow. Y3 continued their maths work with fractions in the playground. Have a look at all the great pictures: Scotforth St Paul's C of E Primary & Nursery School (scotforth-st-pauls.lancs.sch.uk)

EYFS Teacher
Following interviews today, we have appointed Miss Georgia Marshall as our new Early Years' teacher from September. We are very excited to welcome her to the Scotforth St Paul's staff team.

SCOT4ALL
An update of the school disco. The DJ we had booked has contacted us to say that he had a heart attack on the way and is very sorry. He is most upset at not being able to come. Once he is feeling better we will arrange another date. We wish him a speedy recovery. Please see the attached poster giving the dates of next terms Fun Fridays. If anyone would like to come and help, please come along to the meeting on Thursday, 9th June at 3.15pm in school.
