

Jesus (the gardener) nourishes and tends us as we learn and grow, so that we can all flourish. As a vine, we are one, but all unique and special to Him. We care for each other, as God cares for us.

Scotforth Superstars

Celebrating this week in school

Once again, we reach the end of another half term. Throughout this term we have focused on the value of Trust and how important it is to be able to trust others and have others trust us. On Monday I told the children part of my family's story, which explains why I trust God so much.

This week has been jam packed with various learning opportunities in each class. Please check out the blog to see how Year 5 found out about digestion and much more - The Human Digestive System in action | Scotforth St Paul's C of E Primary & Nursery School (scotforth-st-pauls.lancs.sch.uk)

We hope those of you who were able to join us for our impromptu music assembly enjoyed it. It was lovely to see the confidence and enthusiasm of the children as they sang and played the glockenspiels. It took a lot of concentration and they all did an amazing job – Well done Reception, Year 1, Year 2 and Year 3.

On Friday, the Worship and RE ambassadors visited the Chaplaincy Centre at Lancaster University and took part in a conference about diversity and racial inequality. The Archbishop of York led the session and the children asked questions and discussed some really important issues. They represented the school brilliantly and it really made them think about justice.

Upcoming Important dates (please watch out for emails from teachers about class specific dates)

Ice Lolly Sale

Many thanks to the Scot4all members who sold ice lollies after school today. There was a great total of £57 raised on their first event. Ice lollies will be sold every Friday after school until the end of term.
