## Learning, growing and caring as part of God's family.

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit.  
John 15:5

Our Christian value for this half term is COURAGE

Karen Talbot Y6	For some excellent description & using a wide range of punctuation.

Diversity Cafe	
Many thanks to Lucy Ellis for coming along today. The parents who took part found it really useful and a good opportunity to chat to others and share ideas. We are hoping to hold another 'Café' on Friday 20th March.	

Worship in School	
On Monday, Mrs Walsh talked about Corrie Ten Boom and how she showed courage helping Jewish people in World War 2. The Blackburn Diocese Worship this week was about extraordinary and inspirational life of Dietrich Bonhoeffer. A very wise Christian theologian who spoke out against Hitler and the Nazis. He stayed true to his faith and died in one of the concentration camps. On Wednesday we had a fantastic time singing about being bold, strong and courageous and some of our Y6 and Reception showed courage by standing at the front and saying prayers. Rev Catherine talked about Esther - a courageous young queen in the Bible. We loved her sparkly tiara.	

Celebrating Life in School	
YR, Y1 & Y2 had an energetic time on Wednesday when they had a taster session of street and breakdancing. Everyone had a great time and if they want to do more, information will be on the follow up email. Y1 & Y5 discovered that there are many types of bread and had a go at making their own. It was interesting today to see what the children classed as 'comfy clothing' with outfits ranging from shorts to full onesies! Thank you for all the donations to Scot4All, a grand total of £120 has been raised. We hope the children enjoy Aladdin tonight after school and have raised £200 for school funds. Once again, many thanks for all your support at these events. Maths Afternoon	
Thank you to all the parents who visited the classes to find out more about how we teach multiplication and division in school. About 40 families attended and it was lovely to see the children showing their parents the different methods we use. We have attached the policies that were given out on the night so that everyone has the same information.	

Attendance	
Well done Y4! They have achieved a 97.8% attendance for January which is higher than the school average of 95%

## Calling Keen Bakers!

Scot4All are holding a cake sale alongside the Teddy Tombola on Friday 13th February. They are asking if there are any 'keen' bakers who are willing to make a few cakes/cookies/biscuits to sell at the event. They are NOT asking for donations from everyone for this cake sale, it is an add-on event to the tombola. If you are willing to bake a few cakes, please let the school office know and we will pass details to the Scot4All team.

## The Den

You may already be aware that earlier this week, The Den was flooded. The whole room was under water! We have had a donation of carpet tiles to restore the flooring and once Mr Cocker has a little time and we are sure that the floor is completely dry, he will start laying them. Thank you to all those who donated or offered dehumidifiers. They have really helped. We were very lucky that most things were off the floor, but we will need to replace some items. Again, a Lancaster resident has kindly offered to pay for a new rug. We have been blown away with the generosity of those associated with the school and those in the community who just felt called to help.

## School Pick-Up

It would be very useful to know if you are going to be late collecting your child from school and an estimated arrival time. We understand that this can be for various reasons. However, we do need to know so that we can let your child know that they haven't been forgotten and for staff to arrange for your child to wait in a safe place.

## School Improvement Plan (SIP)

One of the areas we were going to look at on the SIP this year was the school vision. As there should be a new headteacher in place in September, it has been decided to leave this part of the SIP so that they can work with the school community with a different perspective and possibly create a new vision.
