## Euro 2020 Final

Due to it being 55 years since England last reached a major football tournament final, we feel sure many families will want to watch together on Sunday night. Children who may be up very late and therefore rather sleepy on Monday morning, can come into school for **no later than 10.30 am** and they will not be counted as late. We would rather the children be awake and ready to go then, than tired/weepy and wanting to be in! Hopefully this doesn't mean the whole school will be late in, and **we will be open to anyone who wishes at the usual times** (the staff unfortunately don't have the same late arrival opportunity!) It goes without saying that we of course we will be rooting for England, and hope they continue to do us proud, whatever the result. If you wish for your child/ren to arrive late on Monday **PLEASE INFORM US** by email in order that we don't ring to enquire where they are. Many thanks.

## Extra Bank Holiday

Please note an extra date for your diary—The Queen's Platinum Jubilee. This falls within the Spring Term break and therefore schools have been given the option of taking this day at some point during the year. The Governors and Staff have decided on **Monday 1st November 2021** which is at the end of the October Half-Term break.

## Dinner Money

Please can parents ensure that their child's dinner money is paid up to date by the end of term and that ALL balances are cleared. Reminders will be sent out before the end of term, regardless of the amount owing. Thank you.

If you feel your financial circumstances have changed recently, we have attached the form to claim Free School Meals if you wish to complete it and send off.

## Year 4 French Day

This will now be held on Tuesday 13th July (fingers crossed).

The children can come dressed up and if they would like to taste some French food, they need to bring a contribution to the buffet. A separate e mail has gone out to Year 4 parents with more details. Thank you.

## Thank You

Many thanks for the donations today for the Olive Branch. There has been a fantastic response as always, especially as there are so many pupils missing this week!

## Thank You

We would like to say a huge thank you to you all for your understanding and patience over the last week or so. We appreciate that it is a big ask for parents to drop everything and come and collect your child to self-isolate, but as always your help and co-operation given over the last 18 months or so has been greatly appreciated. Hopefully we have had our peak, and the final days will be smooth ones. Once again, thank you for your help and patience during a most difficult time.

## MISSION STATEMENT

Learning, growing and caring as part of  
God's family

*"I am the vine, and you are the branches. If any remain in me and I remain in them, they produce much fruit." (John 15:5)*

## Scotforth Superstars
