

Scotforth St Paul's CE Primary and Nursery School

Learning, growing and caring as part of God's family.

Jesus (the gardener) nourishes and tends us as we learn and grow, so that we can all flourish. As a vine, we are one, but all unique and special to Him. We care for each other, as God cares for us.

Home School Agreement 2024-25

We know that children achieve more when schools and parents work together and parents can help more effectively if they know what the school is trying to achieve and how they can help. Home-school agreements provide a framework for the development of such a partnership. This agreement sets out the role of the school, parents and pupils in this vital partnership.

The school will aim:

- To help your child develop as a well-rounded individual with Christian values and attitudes, that will last them their whole life
- To create a safe, secure and happy place for children to learn and grow
- To provide a broad and balanced curriculum whilst making basic skills in mathematics, literacy and a healthy lifestyle a priority
- To encourage caring, co-operative and respectful relationships
- To encourage good behaviour, discipline and a positive attitude to learning
- To provide information about the curriculum, the policies and practices of the school, and any events which take place during the school year via the school newsletter
- To arrange regular parents' meetings with teachers and be happy to arrange to see you if you have concerns or questions
- To let you know if your child is having difficulties at school, or we are concerned about their physical or emotional wellbeing.
- To set homework appropriate to age and ethos, and encourage pupils to learn for themselves both inside and outside school
