06/07/2020

Dear parents and children,

This will be our last pack and letter for the year.

I have really enjoyed spending time getting to know your children and all of their different personalities. I'm very happy that some of the children will be coming back for another year in September. Thank you for all the responses to my emails. I share them all with Mrs Todd Bryce so that she can hear what you have been up to.

At this time of the year we would be spending lots of time outside. We would have had sports afternoon and water fun play.

For this reason I have planned a series of 10 summer fun challenges that you can choose to do at home. The children who are attending nursery will be completing 1 each afternoon.

It is really up to you if you do them or not. Children who are moving up to Reception in September can try writing numbers 1-5 and 1-10 if they want an extra challenge.

I hope you all get some sunshine over the summer break and get at least 10 minutes at a time to put your feet up.

For those moving on to other schools we say goodbye and good luck! This is the start of your child's next chapter in their life and we are excited for them.

To everyone else we will say, "See you in September."

Mrs Atkinson

Mrs Todd-Bryce
