

Literacy

We will continue to complete daily phonics and handwriting lessons. We will concentrate on blending sounds and writing words by segmenting the sounds we hear. We will also practice writing tricky words. There will be lots of opportunities to write independently. We will focus on a book each week and look at the characters and events in the story.

Mathematics

We will focus on numbers beyond 10 - both counting and composition. We will concentrate on spatial reasoning, matching rotating and manipulating structures and later composing and decomposing structures. Later in the half term we will also practice adding more and taking away.

R.E.

We will learn about places that are considered as special/holy places where believers go to worship.

Reception Summer 1 - Growing and changing

Key Vocabulary

seed
roots
stem
leaf
flower
petal
soil

Physical

During PE sessions we will continue to focus on the fundamental movements of running, jumping, rolling, throwing and catching. We will continue to work on our pencil grip and control by building up our hand strength with activities such as lacing and threading, playdough letter making, creating collages and cutting out.

P.S.E.D

We will continue to talk about kind words, kind hands and kind feet. We will learn about those who care for us and caring for each other. This will be reinforced during circle time and PSHE lessons.

Communication and Language

We will talk about any celebrations such as birthdays or parties that the children have experienced. To encourage the children to ask questions we will play 'What's in the Box'?

Understanding the world

We will find out more about all sorts of people who help us to stay safe and healthy. We will encourage the children to make connections between small world toys and the real world using this as a springboard for them to talk about their own experiences.

Expressive Arts and Design

We will be learning the songs during our music lessons and some actions to accompany the words. We will experiment with different textures and make use of props to recreate the stories we are reading.
