Welcome back and Happy New Year!

This half term our topic is "Superheroes" We will be finding out about superheroes in our local community and investigating what makes good superhero clothing by testing materials in water! We will also investigate freezing and melting. We will encourage children to ask questions especially "why/" and "what will happen?" Children will record their ideas by taking photos, drawing and writing.

Staffing will continue in the same pattern as last term. I will be ably supported by Mrs Joel in the mornings (excluding Friday) and Mrs Whiteside in the afternoons. Monday afternoon is my non-contact time and Mrs Joel will teach the children RE and music supported by Mrs Todd-Bryce. On Friday morning Mrs Cocker, followed by Mrs Ryan will support me.

We have hall sessions on a Monday and Thursday. Complete P.E. kits will need to be in school at all times. Please name all clothing including P.E. pumps. On Friday mornings we will be working in the I.C.T. suite or on iPads in the classroom.

All children are now bringing home a reading book. Please spend a few minutes each day reading with or to your child. The books are changed twice a week if you have heard your child at home. The home/school book can also be used to pass information e.g. If a child has had a bad night or I have a question for you.

We have a class blog page on our website where you can see what your child has been doing; this is located under the Reception section on the school website.

I would like to thank you all for your support last term. I am really proud of how well the children have settled into school and all that they achieved. As ever please come in and see me after school if you have any questions, or write a note in the reading record book and I will arrange a meeting or ring you.

Yours sincerely,

Mrs Browne.
