

### In English

In Literacy, we will be finishing off writing our Non-Fiction booklets about plants and looking at the features of Non-Fiction books e.g. contents, glossary, fact boxes etc.

We will then look at Australian Folk Tales and comparing stories. We will discuss our favourite and least favourite. Finishing off with poetry on our theme, 'The Great Outdoors'.

### In Maths

This term we will continue to focus on numbers to 100 where we will concentrate on the place value of numbers, addition and subtraction with 2 digit numbers and solving word problems.

Continue working on daily counting up to 100 and learning number bonds to 20/100.

### In R.E.

This half term we will be looking at the story of 'Joseph'.

## Year 1 Summer Term 2 'The Great Outdoors'

### Key Vocabulary

Tens, ones, add, plus, greater than, less than, subtract, difference, digit, operation, North, South, East, West, Left, Right, continent, ocean

**History-** we will be discussing the difference between journeys on holidays now to journeys in the past. We will look at seaside holidays in the past and explore the similarities and differences.

**Art-** We will also look at the artist Pier Mondrian and understand primary and secondary colours with colour mixing. Also, Jackson Pollack another abstract artist using the 'drip technique'.

**DT-** We will be looking at the strength and structure of 'Playgrounds'. We will be visiting a local playground to see how they move. We will look at different materials to help make our own playground equipment.

**Geography-** We will continue to be looking at maps/globes to find the UK, locating the 7 continents and naming the 5 oceans. We will be comparing hot and cold places looking at places in the UK and other parts of the World e.g. Australia. If you have any Australian objects or would like to come and tell us about a visit to Australia, please let me know.

**PE-** Our P.E days are Mondays and Fridays. We will continue to look at the Fundamental skills through a series of games and athletics.

**Computing-** We will use imodel to create our own adventure game. We will also be looking at 'Paint' and its tools, to create our own Mondrian pieces.

**PSHE-** We will continue to discuss correct terminology for body parts, knowing that private parts are private and also discussing keeping safe e.g. road safety, sun safety and keeping our personal details safe.

### Wider Curriculum

This half term we will be comparing playgrounds and I will be sending a permission letter for an educational visit. We will also have 'Sports Day' but information and dates will be sent out soon (please look out on the newsletter).

Jubilee Celebration Day- wear red, white and blue (active wear)

### Values

Our value and Worship theme this half term is:-  
'The Trinity and Endurance'
